“Handled with Care - by People Who Care”

APC Overnight launches tracking App....

APC Overnight continuing to offer new capabilities to the SME market...

Our network; APC Overnight, has announced the introduction of a new product to increase options for its SME customers and improve the experience for consumers.

We are pleased to inform you we have now launched the APC Direct app, an intuitive mobile booking and tracking app to simplify both the collection and delivery experiences and is designed specifically with the consumer in mind.

The APC Direct app allows non account holding customers to book and pay for parcels directly via their phones on the APC Direct service, and also enables full tracking of any parcel sent via The APC Overnight network. The app is currently available for iOS smartphones, with the Android version planned for release in May 2017.

YDL Sidecar team have a record breaking race at Cadwell..

Our Sidecar team raced at Cadwell Park on Sunday 16th April and had a record breaking outing. Our team finished 5th in class, 12th overall and in the process managed to achieve times 6 seconds faster per lap than our previous best. Let us know if you would like to watch us in the future.

If you would like to find out how to sponsor a team as a brand recognition opportunity, one of our partners is looking for sponsors. For more information contact Steve Martindale at Padgett's Motorcycles quoting YDL Distribution;

If you could not have your job, what career would you have?

P.E. Teacher

Which 4 people (dead or alive) would you invite to your dinner party?

- Uncle Macky
- Nanna Margaret
- Channing Tatum
- The Queen

Our very own Ben doing 'Tough Mudder' for Cri Du Chat Syndrome....

Ben Cardwell (Traffic Office) competing in Tough Mudder to raise funds for Cri Du Chat syndrome.....

Inspired by a CDC charity day at the zoo with his lovely son Alfie, Ben decided he wanted to do all he could to raise awareness for both the CDC charity and the Chromosomal Syndrome in question. He is on a mission to be in fighting fit shape for the big day in July and we wish him all the best. To read Alfie Cardwell and family's full story or to donate to his target of £1000, visit;
